15.65 each

### MANN'S FLAT HEAD FIRE AXE

Leads all others in constant demand from municipal fire companies, transportation companies, forest services, hotels and institutions the 6-lb. head carries plenty of authority, is perfectly balanced for fast-cutting or hard driving. 36-inch No. 1 hickory handle. Also available with fiberglass handle.

## BRACKET-AND-HOOK

For mounting on walls, in buses, trucks, etc. This simple device permits storing fire axes out of the way with maximum attention to safety and security. The head fits into the tapered bracket, while the handle rests in the properly proportioned hook. 3 sizes:

- 6" bracket for 4½ lb. or 6 lb. axe
- 4½" bracket for 2¾ lb. axe
- 3¾" bracket for 1½ lb. axe

Set includes bracket and hook; easily installed by 6 screws. Specify bracket size when ordering.

## MANN'S MAT AXE

Specially designed for forest fire fighting— precision balanced handle is 36 inches long, hickory. Ideally suited for brush, heavy timber and fire-lane cutting. 3¾ lb. head in black finish. A rugged tool for two-fisted work.

All orders accepted with prices prevailing at time of shipment.  
Prices subject to change without notice.  
Freight prepaid on 300 pounds.  
Terms 2% 10, net 30 days.

NOTE: All Axes packed in 6/carton.  
There will be a \$5.00 broken package charge for quantities other than standard.

Note: Fiberglass handles now available on large fire axes.  
Wood handles will be furnished unless fiberglass specified.
